

ERIC
BRAND

Hospitality

Eric Brand is a leading supplier of luxury furniture and architectural millwork for the hospitality, retail, and residential markets. We have successfully supplied thousands of products and projects globally while collaborating with top architects and interior design firms, executing their designs to exacting specifications. Our international supply chain relationships allow us to support our clients varying needs.

At Eric Brand, our proprietary designs and made to order business is approaching 28 years in operation. As we reach this milestone, I reflect on how we have built and maintained our core values of supreme quality, creativity, product development, respect for ethical standards and strong internal operations. We are known for incorporating exotic materials, and a multimedia approach to design and fabrication. Collaboration has always been at the forefront of our vision and remains a key differentiating strength as we reach for new opportunities.

Whether through our own designs or as the interpreter/collaborator for our clients, we bring together our highly talented, creative, technical, and manufacturing teams to add value to the product and projects we execute.

Our history and our future at Eric Brand have always depended upon building longstanding partnerships with our clients. We hope to have the chance to collaborate with you on your next project.
