

ERIC
BRAND

Hospitality

Eric Brand is a leading supplier of luxury furniture and architectural millwork for the hospitality, retail, and residential markets. Having successfully delivered thousands of products and projects globally, we collaborate with the world's top architects and interior design firms to execute their visions to exacting specifications. Our robust international supply chain allows us to seamlessly support our clients' diverse and evolving needs.

With decades of operation, Eric Brand continues to define the intersection of proprietary design and bespoke manufacturing. We remain anchored by our core values: supreme quality, boundless creativity, ethical standards, and operational excellence.

We are recognized for our signature use of exotic materials and a sophisticated, multimedia approach to fabrication. Collaboration has always been the heartbeat of our vision; it remains our greatest strength as we move into this next era of opportunity.

Whether producing our own designs or serving as the expert interpreter for our clients, we unite highly talented creative, technical, and manufacturing teams to bring unparalleled value to every project. Our history—and our future—is built on the foundation of longstanding partnerships.

We look forward to collaborating with you on your next project.
